Sir,

In reply to your docket-no 29 dated 16th ultimo enclosing an extract from Government-proceedings no 01-2 / d. 111-97 of the 2nd July 1898, I have the honor to inform you that, on my representing to the Inspector General of Prisons the great-distance the Sewage Farm is situated from the jail and that-in consequence of which efficient-supervision is impracticable, that-the soil was so poor that it could not grow vegetables superior to the kinds obtainable in the local market-nor even a regular daily supply of ordinary Indian Vegetables,

for the prisoners and that we were working at an actual cash loss and with a heavier loss too should proper arrangements be made for the prevention of monkeys &c depredating the gardens.

The Inspector General of Prisons approved of my suggestion and directed the Sewage Farm to be returned to the municipality.

I have the honor to be
